Raja Limbu

Address: Shovahiti, Lalitpur - 14, Kathmandu
Phone: 9813142511
Email: raja.limbu@gmail.com
Date of Birth: Nov. 23, 1993

Objective

Securing a responsible career opportunity to fully utilize my training and skills, while making a significant contribution to the success of the company and gaining practical experience.

Experience

Free-lancing (2017-2019)

Successfully deployed Sales Tracking System using PHP, MySQL, CSS and JavaScript in the insurance department of Himalayan Bank Ltd and Shangri-La Development Bank Ltd since 2017 running in XAMPP. The system uses PHP for user access control over the data and save login passwords in the database encrypted in md5. The system also provides search and report generation function with filters i.e., search or report generation based on the criteria in this case the bank branch name, inserted or follow up dates, and also the name of the staff that inserted the data.

Current work status (Feb 2022 - Ongoing)

My current work status is as an Assistant IT Officer at Grande Int'l Hospital. The everyday task I perform here are providing HIMS support, looking after network and devices such as computer and printer issues, configuring and updating new hardware and software.
The latest task we've completed at Grande is integrated PACS (Picture Archiving and Communication System) and hosted our HIMS system and email server from cloud.
